Sherman pointed out the ad in the paper for the Sewer position ran only one week.

Sherman also asked if there was an IRS claim because quarterly taxes were due July 31, 2023.

Clerk Payment said there is not a claim and has already called the IRS.

Linda Knox is interested in the Clerk Treasurer position and introduced herself. She told the council about her previous work background.

Susan Bacca just wanted to let the council know they are moving a shed. Not building a new structure. Asked if there would be a fee.

Payment will look into this, but council doesn't feel there is a fee.
